MEMORANDUM

TO: All New Georgia Licensed Tobacco Wholesale Distributors

FROM: Robin G. Cohen
Senior Assistant Attorney General

RE: Reporting Requirements to the Attorney General's Office

As a licensed Georgia Tobacco Wholesaler or Distributor you have monthly reporting requirements to the Georgia Department of Law (also known as the Attorney General) which are in addition to the Georgia Department of Revenue's reporting requirements.

By the 10th day of each month, you are required to complete and submit Form AG-01 "Wholesalers' Monthly Report of Cigarettes Stamped and Roll-Your-Own Tobacco Sold." This form can be found online on the Attorney General's website at:

http://law.ga.gov/sites/law.ga.gov/files/tobacco_AG-01_form_revised_8_14.pdf

Even if you did not stamp or sell any cigarettes or any Roll Your Own ("RYO") products during the month you must complete and submit form AG-01. Please mail the report to:

Georgia Department of Law
Consumer Interest Section
40 Capitol Square, SW
Atlanta, GA 30334

Please also note that you may not sell any brand of cigarettes in Georgia that does not appear on one of the Attorney General's Tobacco Compliant lists.

For access to the Tobacco Compliant lists and for further information, please consult the Attorney General's website at www.law.ga.gov (go to Key Issues-Consumer Information-Tobacco Manufacturer and Brand Compliance). To request to receive notice of changes in the lists, complete and submit Form AG-05 "Registration for Electronic Mail Notification of Changes in the Tobacco Compliant List." For additional questions, you may contact Lauren Giles at 404-463-1749 or lgiles@law.ga.gov.
