Did you know that over 90% of Georgia high school students don't misuse or abuse Rx drugs? While that's encouraging, there are still almost 20,000 Georgia youth that do. We're asking you to say “We're Not Gonna Take It” by creating a 30-second video to encourage your peers to reject Rx drug abuse. The video should promote awareness and prevention.

Upload your video to YouTube and complete the form at [law.ga.gov/videocontest](http://law.ga.gov/videocontest). Follow the guidelines:

- Must be a Georgia high school student to participate
- PSA must be no longer than 30 seconds
- Content must be original and completely created by students. Visit [law.ga.gov/videocontest](http://law.ga.gov/videocontest) for additional guidelines.
